High-quality, Affordable Health Care

We Put Your Health First

No-Cost Primary Care

The biggest barriers to quality health care are access and cost. With CareATC, there is no cost for the services provided to you, your spouse or dependents (ages 2+) under the Cigna healthcare plans offered through the School Board. – *receiving fast, quality care just got easier!*

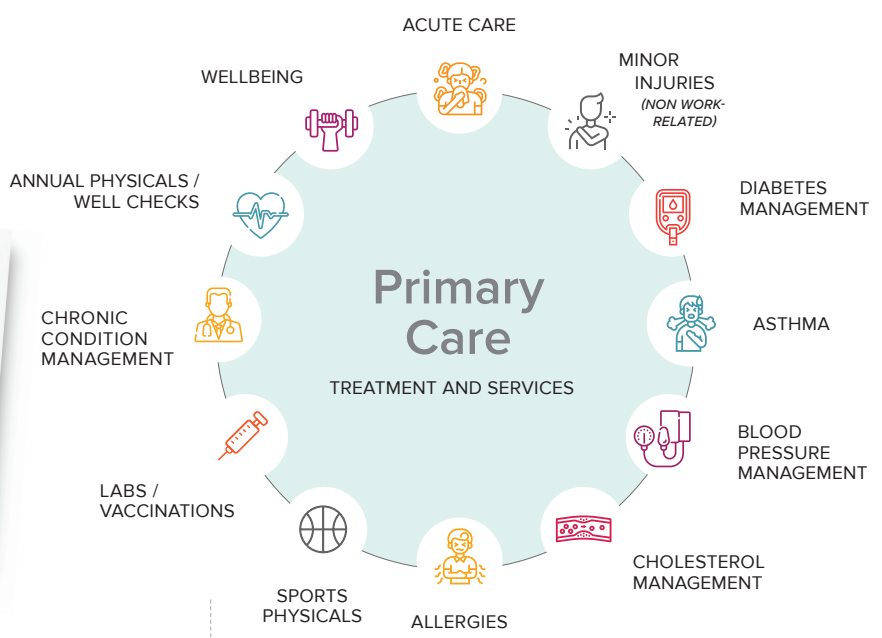

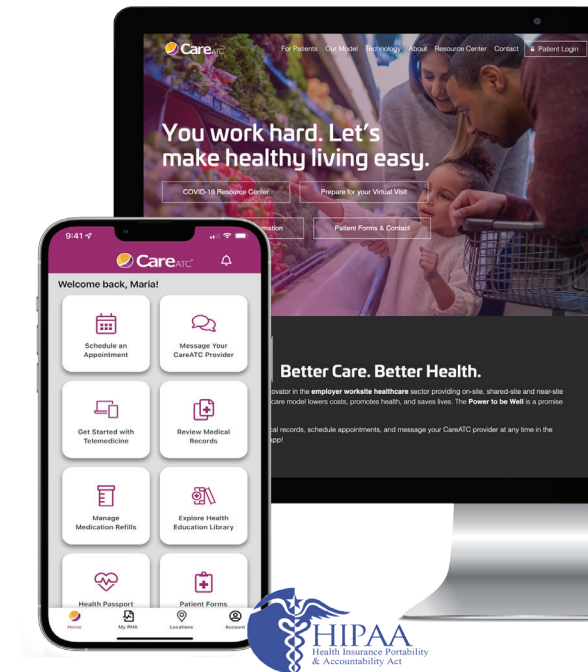

Plus, enjoy the added benefits of a dedicated health center that is not open to the general public. This provides greater access to quality care. No more long waits in a crowded waiting room or feeling rushed at your appointment.
