

# What to Know about Bluebook Reward Debit Cards

We want to share important information about the pre-loaded debit cards you could receive for earning rewards through **Valenz Bluebook**. Here's what you need to know:

## Key Details:

- **Expiration:** Debit cards will expire 12-months from the issue date. Cards cannot be reissued once the expiration date has been reached, so be sure to use your funds before they expire.
- **Multiple Cards:** You will receive a debit card for each reward earned. Each card is unique and not re-loadable.
- **Activation Required:** You must activate each card earned to use the funds. You will receive a notification after 3-months if your card(s) has not been activated.
- **Mastercard Acceptance:** The pre-loaded debit card is a Mastercard, and funds can be used anywhere Mastercard is accepted.

## If you have received a debit card in the mail but not activated it, you can do so by:

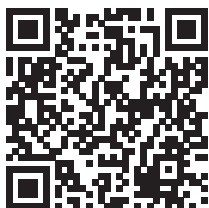

- Calling the activation center at 1-888-471-3662
- Logging onto [healthcarebluebook.com/activate](https://healthcarebluebook.com/activate)

**Take advantage of this opportunity to save on healthcare costs and earn rewards for making informed choices.**

## Haven't earned a reward?

Here's how you can save on your next qualifying medical procedure:

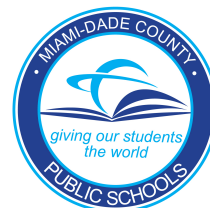

1. **Log In:** Log into [healthcarebluebook.com/cc/mdcps](https://healthcarebluebook.com/cc/mdcps) and enter your credentials.
2. **Search for Care:** Enter the medical service you need in the search bar. On the procedure results page, look for the green reward symbol indicating the procedure is eligible for a reward.
3. **Choose a Green Facility:** Locate facilities that have a green cost rating indicating the best price. For inpatient procedures, select a facility that is green in both cost and quality to earn rewards.
4. **Receive Care:** Have your service performed at a green-rated, Fair Price™ facility. It's that easy! By making informed choices, you may be eligible to earn up to a \$1,500 reward.
